# “DRIVING REGIONAL ECONOMIC GROWTH THROUGH CLEAN ENERGY AND ENERGY EFFICIENCY”

## THE REGION'S DEFINITIVE ENERGY, POLICY & INVESTMENT PLATFORM

The 2026 SADC Sustainable Energy Week is Southern Africa's premier annual convening dedicated to advancing clean energy, energy efficiency, and sustainable economic growth across the SADC region.

Jointly hosted by the **Ministry of Energy and Power Development of Zimbabwe (MoEPD)**, the **SADC Secretariat**, and the **SADC Centre for Renewable Energy and Energy Efficiency (SACREEE)**, the event brings together policymakers, investors, utilities, financiers, developers, innovators, and development partners.

## WHY THE 2026 SADC SUSTAINABLE ENERGY WEEK MATTERS

The region continues to face rising electricity demand, constrained generation and transmission capacity, and unequal access to modern energy services. The event promotes policy coherence, mobilises investment, strengthens regional power integration, and advances a just energy transition.

## HIGH-LEVEL LEADERSHIP & STRATEGIC PARTICIPATION

The official opening will be officiated by His Excellency Cde Emmerson Dambudzo Mnangagwa, President of the Republic of Zimbabwe, and His Excellency Mr. Elias M. Magosi, SADC Executive Secretary, alongside SADC Energy Ministers and senior regional leaders.
